

EARLY LEARNERS

Walking to under age 6

GymBaby, Tiny Tumblers, and Super Springers

(Walking to 23 months, 2 years, and 3 years)

GymBaby, Tiny Tumblers, and Super Springers classes are parent-assisted, coach-led classes focused on inspiration and discovery in a gymnastics environment. Each GymBaby, Tiny Tumbler, and Super Springer attends with their own safeguarding adult aged 18 and up. With you at their side, we guide you to personalize the challenge and focus for your child. To get the most out of GymBaby, we recommend that your child already be walking.

Super Springers is also available for children under 5 who are not quite ready to attend on their own. Please make arrangements to register through the Front Office.

Flying Friends, Bouncing Buddies, and Master Movers

(4 years to under 6 years)

In Flying Friends and Bouncing Buddies, you'll find the first 4 levels of our independent Early Learners program. Skills, imaginative activities, and tricky challenges inspire our Early Learners to go faster, higher and stronger!

Master Movers is 2 more levels of advanced challenges, activities, and skills tailored toward young athletes with exceptional listening and gymnastics skills.

*Master Movers Prerequisite: By coach recommendation or by assessment only.
Bouncing Buddies is also available for 6 year olds upon request.
Please make arrangements to register through the Front Office.*

4 years old	Flying Friends 1
	Flying Friends 2
5 years old	Bouncing Buddies 1
	Bouncing Buddies 2
5 years old*	Master Movers 1
	Master Movers 2

*Master Movers Prerequisite: By coach recommendation or by assessment only.
