

Good evening,

Please be advised that at 6:30pm on November 16, 2020 the Airdrie Edge, received updated information from the Alberta Gymnastics Federation (AGF) regarding an amendment to the targeted public health measures announced by Alberta Health Services (AHS) on November 12, 2020.

Effective November 17, 2020, all gymnastics clubs in the enhanced measures areas, which includes Airdrie Edge, are required to close from November 17 - 27, 2020. The intent of these amended measures is to support AHS by limiting people coming together in any type of group setting and to assist in their efforts in contact tracing.

The full training cost of the lost classes will automatically be credited to your account.

The safety of our membership is always our top priority and we are fully committed to following all of the information provided by AHS and the AGF. We will continue to follow their guidance on how we can safely move forward and reopen our facility once again.

We want to thank you in advance for your patience, kindness and understanding in these unprecedented times and we will continue to keep you informed and updated as we receive more information.

Kind Regards,

Airdrie Edge Management
